LIST OF OFFICIALS ELIGIBLE FOR PROMOTION AS
DEPUTY TAHSILDARS IN SOUTH KANARA.

Q.—175. Sri V. SRINIVASA SHETTY (Coondapur).—

Will the Government be pleased to state :—

(a) the number of officials in South Kanara who had been listed as eligible for promotion as Deputy Tahsildars, under the rules prevailing in the erstwhile Madras State, but made applicable to this State ;

(b) whether they have made representations to the Government to consider their cases for promotion ;

(c) the decision of the Government in this case ?

A.—Sri KADIDAL MANJAPPA (Minister for Revenue).—

(a) 13.

(b) Out of these 13 officials, 5 officials who have not been promoted as Deputy Tahsildars have made their representations to Government to consider their cases for promotion.

(c) As the very question raised by these officials is involved in the Writ Petitions filed in the High Court of Mysore by some of the officials from South Kanara District, the matter is treated as *sub-judice*.

CONSTRUCTION OF KALLIANPUR, MABUKAL AND HALADY
BRIDGES IN SOUTH KANARA.

Q.—178. Sri V. SRINIVASA SHETTY (Coondapur).—

Will the Government be pleased to state :—

(a) the progress in the construction of Kallianpur, Mabukal and Halady Bridges in South Kanara ;

(b) the progress in the construction of approach roads to these bridges ;

(c) the reasons for the delay in the construction of approach roads to the above bridges even though the bridges have been completed in two of these cases ?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

(a) *Kallianpur Bridge*.—(1) Bridge work on Swarnanadi Arm completed except for wearing coat for three spans out of seven spans, approach slab and wing walls.

(2) On Bhadraviri Arm, Bridge proper is completed except wearing coat, approach slab and wing walls.

Mabukal Bridge.—Bridge proper is completed in all respects.

Halady Bridge.—Superstructure and decks for one span of 90' is completed out of the 5 spans. Right abutment and the remaining piers have been raised above water level.

(b) *Kalyanapur Bridge*.—On Swarnanadi Arm side about 475 units of earth work is completed and on Bhadraviri Arm side, about 1050 units of earth work is completed in the whole reach and construction of revetment is in progress. C. D. works on the approach road is also in progress.

Mabukal Bridge.—Approach road on Mangalore side is being formed.

Halady Bridge.—Approach road on Shankaranarayana side is completed and that on Halady side road is being formed.

(c) *Kalyanapur Bridge*.—The bridge work is not completed in all respects. Wearing coat for some spans, also approach slab and cantilever wing walls for the abutments have to be done. There was some difficulty in procuring land. The land owners have since given their consent to enter on the land for construction. The work which is suspended for the present due to monsoon, will be resumed after its cessation.

Mabukal Bridge.—There was delay in acceptance of the tender by the Government of India. There was delay in land acquisition also.

CONSTRUCTION OF GANGOLLI BRIDGE IN SOUTH KANARA.

Q.—179. Sri V. SRINIVASA SHETTY (Coondapur).—

Will the Government be pleased to state:—

(a) whether any of tenders has been finally accepted and the contractor fixed for the construction of the Gangolli Bridge in South Kanara ;
